Subject - Proposal of the Sagar Town Municipal Council - Extension of the Municipal Boundary.

****

I have the honour to forward herewith the entire file of papers received from the President, Sagar Town Municipality(vide his Memo No C 15/41-42 dated 2-9-42) on the subject noted above and to state as follows -

2 The Municipal President states that it is quite necessary to include the area occupied by the Rice Mill of one Mr Gurulingiah and a suburb known as the Konkani Byana within the limits of Sagar Municipality as they are in contiguity with the existing boundary It is stated that the approach to the Konkani Byana is a continuation of the Municipal Road and that the residents in the Byana and the area occupied by Mr Gurulingappa's Mill have their avocations in the Municipal limits it is necessary that these two areas have to be brought under the control of the Municipality with a view to regularise the construction of houses controlling epidemics and keeping effective supervision of octroi At present there is much scope for the merchants of Sagar Town to smuggle dutiable articles through the places referred to above

3 After consideration of the above aspects, at their meeting held on 16-12-41, the Municipal Council, Sagar, passed a resolution to the effect that the entire area comprising the several S Nos (in the villages noted against each) as mentioned in the resolution of the Council, be included in the limits of the Municipality A plan furnishing the details of the several survey numbers that

already in the limits and those that are proposed to be included, is forwarded herewith for favour of reference. Draft notifications in English and Kannada in duplicate are enclosed herewith for kind reference.

4. The Municipal President requests that approval of Government may be obtained to the extension of the proposed boundary

5 In these circumstances, I request that sanction of Government may kindly be obtained to the above proposal of the Sagar Town Municipal Council, viz., for extending its boundary as per details noted in the draft notifications and the plan (enclosed in the records) vide section 7 of the Town Municipalities Act 1933.

I have the honour to be,

Your most obedient servant,
